lamactivationcode.com

One-Click Connect

Our client will pick your favorite server location and offers a one-click connect.

Auto Server

Let our client automatically pick the fastest location for you.

Auto Reconnect

Once the connection has been interrupted, the software reconnects automatically.

Auto Connect on Startup

The client automatically launches and connects on startup, so you are always protected without taking care of it.

Kill Switch

If enabled and the connection interrupts, the client automatically blocks all outgoing network connections.
